640-3500-WHT	12 1/2 gal	26 in	18 in	9 in

### Flexstyle® Double Sided Poly Paper Food Containers

**Features:**

- Extra rigid paper with reinforced side seam, rim and plug-style bottom provides doubled container performance without the expense or waste
  - Heavy-duty, double-sided polycoating keeps food tasting its best while enhancing leak and soak-through resistance
  - Accommodates hot and cold foods as well as refrigerator and freezer storage
  - Features a wide formed rim that makes the container more rigid and durable
  - Double sided polyethylene coating acts as a moisture barrier to keep liquid inside the container and minimizes sweating and condensation on the outside of the container
  - High gloss coating on the outside of the container allows for exceptional print quality and a smudge-free surface
  - Only paper food container line available with spiral wound paper lids that prevent leaks and let steam escape
  - Flush fill capacity on all sizes except 32 oz. for portion control
  - Perfect for hot and cold food storage
- Hot and cold applications
- Spiral wound paper lids that prevent leaks and let steam escape

**Color:** White; Symphony®

SKU	Capacity Vol.	Quantity
670-P4643	64 oz	300 per case

### Ziploc® Commercial Resealable Bags

**Features:**

- Sturdy, disposable, easy-to-fill bags
- Unique, interlocking zipper seals securely: locks in freshness and protects foods from drying
- Designed for space-saving food storage, portion control, food preparation and transportation
- Write-on labels for easy identification and date-coding
- Dispensing cartons are color-coded for kitchen organization

**Thickness:** 1.75 mil
