DURO BAG

Extra heavy-duty kraft grocery bags. Tough, strong and sturdy. Made to hold those weighty, awkward items, like bottles, cans and objects where a regular grocery bag just won't do. You can count on the extra strength these bags get from their 50-57 lb. basis weight, up from the 30-40 lb. basis weight of regular bags. You won't have to worry about tearing, ripping or stretching. Designed to stand up stoutly, no falling over or spilling. No need to double bag.

Forget "paper or plastic"; the clear choice is corn. Communities across the country have been taxing or banning the use of plastic grocery bags. But our grocery bags made from 100% biodegradable ingredients and are just as strong as their plastic counterparts. Toxin free. Semi-translucent and come labeled as biodegradable so your customers will know that you care about our environment.
